-  [about 49 minutes ago](#) Finally able to make a Twitter Tuesday!! [#hsbloggers](#)
-  [about 49 minutes ago](#) A3 - highest traffic is facebook (real life friends) then pinterest, very little from twitter [#hsbloggers](#)
-  [about 49 minutes ago](#) RT [@hsblogging](#): Q3: Which social media platform sends the most traffic to your blog? [#HSBloggers](#)
-  [about 49 minutes ago](#) A3: Facebook, by far. [#hsbloggers](#)
-  [about 50 minutes ago](#) [@apichea](#) "oversharing" is a good point. I try to ask for other suggestions about topic, [#hsbloggers](#)
-  [about 50 minutes ago](#) Pinterest, then FB. RT [@hsblogging](#): Q3: Which social media platform sends the most traffic to your blog? [#HSBloggers](#)
-  [about 50 minutes ago](#) I've been trying to decide if a blog fb page is worth it or not (I don't have one yet) [#hsbloggers](#)
-  [about 50 minutes ago](#) [@apichea](#) Yes!! That's it exactly!! [#hsbloggers](#)

- [about 50 minutes ago](#) Q3: Which social media platform sends the most traffic to your blog? [#HSBloggers](#)

- [about 50 minutes ago](#) I've had readers stop by my house over the yrs. We've met readers when we've traveled, too. I love this! [#hsbloggers](#)

- [about 50 minutes ago](#) A2 readers that I know IRL I interact with on FB, other bloggers I interact with best on twitter. [#hsbloggers](#)

- [about 51 minutes ago](#) I am trying to take that into consideration when I write too [#hsbloggers](#)

- [about 51 minutes ago](#) I realized that after a blog post I wrote that more ppl in my town reads my blog through FB... [#hsbloggers](#)

- [about 51 minutes ago](#) [@housefulofchaos](#) I agree - Twitter doesn't work well with specific posts in context. [#hsbloggers](#)

- [about 52 minutes ago](#) [@PreschoolPeace](#) Having a few very responsive readers is essential [#hsbloggers](#) [#hsbloggers](#)

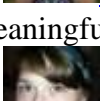

- [about 52 minutes ago](#) [@auriegood](#) I find that most of my readers are on FB, while my blogging friends are on Twitter [#hsbloggers](#)

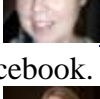

- [about 52 minutes ago](#) [@forthisseason](#) welcome!! [#hsbloggers](#)

- [about 52 minutes ago](#) Hello [#hsbloggers](#) Q2 - I find comments on the blog still most meaningful. Twitter feels too public in a way, and out of context.

- [about 52 minutes ago](#) [@hsblogging](#) I love twitter - but most people seem to be on facebook. [#HSBloggers](#)

- [about 52 minutes ago](#) [@marykprather](#) [@preschoolpeace](#) I have a "tribe" on FB, but not on the blog itself... [#hsbloggers](#)

-  [about 53 minutes ago](#) Hi everyone, sorry I'm late. I forgot it was Tuesday! [#hsbloggers](#)
-  [about 53 minutes ago](#) Agreed!! RT [@PreschoolPeace](#): One thing - I have a handful of readers I now consider friends. That's worth everything! [#hsbloggers](#)
-  [about 53 minutes ago](#) [@kerrybeck](#) I try to - when I remember - but I think I tend to overshare in the post, leaving little to be said in the comments. [#hsbloggers](#)
-  [about 53 minutes ago](#) [@hsblogging](#) Q2: Facebook BY FAR!, then Twitter [#hsbloggers](#)
-  [about 54 minutes ago](#) [@PreschoolPeace](#) yep -- a "tribe" really helps get the conversation and engagement going! [#hsbloggers](#)
-  [about 54 minutes ago](#) Would love to have more interaction on fb RT [@hsblogging](#): Q2:What social media platform is your favorite to connect with READERS [#hsbloggers](#)
-  [about 54 minutes ago](#) [@hsblogging](#) A2: I feel like I best connect w/ READERS on FB... but Instagram & Twitter are favs for connecting w/ other bloggers [#hsbloggers](#)
-  [about 54 minutes ago](#) [@hsblogging](#) Q2: What social media platform is your favorite to connect with READERS? >> FB, hands down. [#hsbloggers](#)
-  [about 55 minutes ago](#) Me too - I end each post w/ question, but don't get comments like I'd expect RT [@apichea](#): Connection is something I struggle [#hsbloggers](#)
-  [about 55 minutes ago](#) I try to respond to each comment, but I don't get many RT [@hsblogging](#): Q1: How do you encourage readers to connect with you? [#hsbloggers](#)
-  [about 55 minutes ago](#) One thing that's great- I have a handful (8? 10?) of super connected readers I now consider friends. That's worth everything! [#hsbloggers](#)
-  [about 55 minutes ago](#) RT [@hsblogging](#): Q2: What social media platform is your favorite to connect with READERS? [#HSBloggers](#)

- [about 55 minutes ago](#) I think because I subscribe to certain blogs I don't comment as much [@apichea](#): [@lisa\\_marief](#) me too... its discouraging! [#hsbloggers](#)

- [about 56 minutes ago](#) Q2: What social media platform is your favorite to connect with READERS? [#HSBloggers](#)
