49

[thedaisyhead](#): RT [@hsblogging](#): Q1 In [#Platform](#), [@MichaelHyatt](#) encourages bloggers to "start the night before" when writing blog posts. Do you? [#hsbloggers](#)

2/12/2013 3:07 pm

50

[raising_arrows](#): [@hsblogging](#) [@MichaelHyatt](#) Q1 - I always write at night. ;) [#hsbloggers](#)
2/12/2013 3:08 pm

51

[believingin1](#): [#hsblogging](#) Yes if I am going to post I am normally a week ahead. [#hsbloggers](#)
2/12/2013 3:08 pm

52

[titus2teacher](#): [@hsblogging](#) I'm just getting here, but better late than never. Lately it has been never. [#hsbloggers](#)
2/12/2013 3:08 pm

53

[pameladomis](#): A1: I often do, then let it sit a day (or more) before going back and adding/editing. [#hsbloggers](#)
2/12/2013 3:08 pm

54

[thedaisyhead](#): I try to start the night before. It doesn't always happen, but I try to write ahead as much as I can. [#hsbloggers](#)
2/12/2013 3:08 pm

55

[believingin1](#): [@Titus2Teacher](#) Hi! Welcome! [#hsbloggers](#)
2/12/2013 3:08 pm

56

[hsblogging](#): The idea behind "starting the night before" is to let ideas simmer while you sleep. [#hsbloggers](#)
2/12/2013 3:08 pm

57

[kerrybeck](#): Me too...RT [@pameladonnis](#): A1: I often do, then let it sit a day (or more) before going back and adding/editing. [#hsbloggers](#)
2/12/2013 3:09 pm

58

[hsblogging](#): I have a hard enough time falling asleep! // RT [@hsblogging](#): ...let ideas simmer while you sleep. [#hsbloggers](#)
2/12/2013 3:09 pm

59

[steflayton](#): if I write a post on the fly I always have to go back & edit. I like to craft what I want to write before I sit down to write. [#hsbloggers](#)
2/12/2013 3:09 pm

60

[raising_arrows](#): I have posts that "simmer" in the queue for a long time. [#hsbloggers](#)
2/12/2013 3:09 pm

61

[2 to 1](#): Q1 Yes, it helps to have a "buffer" between writing and publishing [#hsbloggers](#)
2/12/2013 3:09 pm

62

[pameladonnis](#): Night (after kids' bedtime) is usually my work time. [#hsbloggers](#)
2/12/2013 3:09 pm

63

[apichea](#): [@titus2teacher](#) glad you made it! [#hsbloggers](#)
2/12/2013 3:09 pm

66

[kerrybeck](#): RT [@kerrybeck](#): Me too...RT [@pameladonnis](#): A1: I often do, then let it sit a day (or more) before going back and adding/editing. [#hsbloggers](#)

2/12/2013 3:09 pm

67

[raising_arrows](#): [@StefLayton](#) The posts I draft on paper are ALWAYS better than the ones I write in dashboard. [#hsbloggers](#)

2/12/2013 3:09 pm

68

[thedaisyhead](#): Woohoo! Good to see your face! RT [@LaneStacey](#): [#hsbloggers](#) I remembered [#hsbloggers](#)

2/12/2013 3:10 pm

69

[steflayton](#): [@raising_arrows](#) I have posts that "simmer" in the queue for a long time. <-- yes, I like that word. [#hsbloggers](#)

2/12/2013 3:10 pm

70

[titus2teacher](#): [@believingin1](#) Thanks for the welcome! [#hsbloggers](#)

2/12/2013 3:10 pm

71

[liveloveeducate](#): [#hsbloggers](#) No, but I need to get on a schedule to avoid frustration.

2/12/2013 3:10 pm

72

[hsblogging](#): Q2: Tip #2 for writing posts faster is to "Use Downtime to Think"... where do you do your best thinking? [#hsbloggers](#)

2/12/2013 3:10 pm

73

[apichea](#): same here! // RT [@raising_arrows](#): [@StefLayton](#) The posts I draft on paper are ALWAYS better than the ones I write in dashboard. [#hsbloggers](#)

2/12/2013 3:11 pm

74

[kerrybeck](#): I try to jot down ideas in the quick edit box of calendar plug in. When an idea comes to me, I open up calendar & write it down [#hsbloggers](#)

2/12/2013 3:11 pm

75

[lanestacey](#): [#HSBloggers](#) I spend many days writing, editing posts. Struggle with words

2/12/2013 3:11 pm

76

[pameladonnis](#): I've heard making a to do list the night before gives your subconscious time to think. So writing the night before makes sense. [#hsbloggers](#)

2/12/2013 3:11 pm

77

[believingin1](#): [@hsblogging](#) LOL When Im sleeping or driving in the car. [#hsbloggers](#) Q2 Tip2

2/12/2013 3:11 pm

78

[apichea](#): in bed, the shower, while cooking/cleaning // RT [@hsblogging](#): ...where do you do your best thinking? [#hsbloggers](#)

2/12/2013 3:11 pm

79

[steflayton](#): I won't stare at a blank screen - time is precious, when I sit down I know what I'm going to write! [#hsbloggers](#)
2/12/2013 3:11 pm

80

[raising_arrows](#): I take notebook paper to piano lessons and write while I'm there. [#hsbloggers](#)
2/12/2013 3:11 pm

81

[titus2teacher](#): [@thedaisyhead](#) Hey! Thanks for the 'sweet' welcome! [#hsbloggers](#)
2/12/2013 3:11 pm

82

[thedaisyhead](#): RT [@hsblogging](#) Q2: Tip [#2](#) for writing posts faster is to "Use Downtime to Think"... where do you do your best thinking? [#hsbloggers](#)
2/12/2013 3:11 pm

83

[kerrybeck](#): Q2 in the shower, in the car...usually a place where I have no paper/pen [#hsbloggers](#)
2/12/2013 3:12 pm

84

[believingin1](#): Agreed ! RT [@apichea](#): in bed, the shower, while cooking/cleaning // RT [@hsblogging](#): ...where do you do your best thinking? [#hsbloggers](#)
2/12/2013 3:12 pm

85

[liveloveeducate](#): [#hsbloggers](#) I think best while putting on my make up and doing my hair.
2/12/2013 3:12 pm

86

[2_to_1](#): RT [@StefLayton](#): I won't stare at a blank screen - time is precious, when I sit down I know what I'm going to write! <--this is key [#hsbloggers](#)
2/12/2013 3:12 pm

87

[pameladonnis](#): Shower usually! [@hsblogging](#) Q2: "Use Downtime to Think"... where do you do your best thinking? [#hsbloggers](#)

2/12/2013 3:12 pm

88

[raising_arrows](#): [@kerrybeck](#) You need a little recorder! [#hsbloggers](#)

2/12/2013 3:12 pm

89

[kerrybeck](#): I've heard that sleeping on a topic really helps your writing (per Andrew Kern of Circe) [#hsbloggers](#)

2/12/2013 3:12 pm

90

[pameladonnis](#): RT [@raising_arrows](#) The posts I draft on paper are ALWAYS better than the ones I write in dashboard. [#hsbloggers](#)

2/12/2013 3:13 pm

91

[kerrybeck](#): [@raising_arrows](#) Good idea. I actually have a recorder...maybe I should use it [#hsbloggers](#)

2/12/2013 3:13 pm

92

[steflayton](#): I'm a walking think-tank. Treadmill, cooking, driving - have a few notebooks & phone handy for jotting ideas down. [#hsbloggers](#)

2/12/2013 3:13 pm

93

[pameladonnis](#): RT [@kerrybeck](#): Ive heard that sleeping on a topic really helps your writing (per Andrew Kern of Circe) [#hsbloggers](#)

2/12/2013 3:13 pm

94

[titus2teacher](#): I use a calendar to plan on my topics ahead of time, so when I sit to write, I already know what I'm doing. [#hsbloggers](#)

2/12/2013 3:13 pm

95

[thedaisyhead](#): Q2 I think of ideas while I'm going about my day~ usually no rhyme or reason to it. I take a sec and put it in my computer. [#hsbloggers](#)

2/12/2013 3:13 pm

96

[hsblogging](#): I've thought about investing in some shower markers/crayons (<http://t.co/ciOnEZ4j>)... has anybody ever used these? [#hsbloggers](#)

2/12/2013 3:14 pm

97

[believingin1](#): Shower markers YES! HAHA [#hsbloggers](#)

2/12/2013 3:14 pm

98

[pameladomis](#): Me too. Editorial calendar in WP. RT [@Titus2Teacher](#): I use a calendar to plan on my topics ahead of time [#hsbloggers](#)

2/12/2013 3:14 pm

99

[kerrybeck](#): [@hsblogging](#) I haven't used shower crayons, but know someone who uses them in bathtub - to jot down ideas [#hsbloggers](#)

2/12/2013 3:14 pm

100

[hsblogging](#): I often use [#Evernote](#) to record blog post ideas when I'm in bed or working around the house! <http://t.co/G4peQ9ip> [#hsbloggers](#)

2/12/2013 3:15 pm

101

[langford_mom](#): RT [@hsblogging](#): I've thought about investing in some shower markers/crayons [#hsbloggers](#)/ I've thought about it, but who cleans that off?

2/12/2013 3:15 pm

102

[steflayton](#): [@hsblogging](#) ha! my kids did. my showers are super hot for relaxing - I don't want to think about anything!! [#hsbloggers](#)

2/12/2013 3:15 pm

103

[titus2teacher](#): [@hsblogging](#) I get great ideas in the shower. I just wait and add them to my notebook when I'm done. [#hsbloggers](#)

2/12/2013 3:15 pm

104

[2_to_1](#): RT [@hsblogging](#): Ive thought about investing in some shower markers/crayons (<http://t.co/M6GS4pbo>)... ever used these? <--Cute [#hsbloggers](#)

2/12/2013 3:15 pm

105

[kerrybeck](#): [@pameladonnis](#) Editorial calendar in WP is now my salvation\n [#hsbloggers](#)

2/12/2013 3:15 pm

106

[raising_arrows](#): [@StefLayton](#) That's what I was thinking! I refuse to think in the shower...it's the only time I'm NOT thinking! [#hsbloggers](#)

2/12/2013 3:15 pm

107

[believingin1](#): Do you tend to simmer on a couple of topics at a time? or more general? [#hsbloggers](#)

2/12/2013 3:15 pm

108

[steflayton](#): [@hsblogging](#) wish I'd make myself take the time for Evernote. [#hsbloggers](#)

2/12/2013 3:16 pm

109

[pameladonnis](#): lol! RT [@langford_mom](#): Ive thought about it, but who cleans that off?

[#hsbloggers](#)

2/12/2013 3:16 pm

110

[titus2teacher](#): [@pameladonnis](#) I first do it on paper, so I can take it. When I like it I put it in the editorial calendar. works great together! [#hsbloggers](#)

111

[apichea](#): RT [@hsblogging](#): I often use [#Evernote](#) to record blog post ideas in bed or working around the house! <http://t.co/KQgbHceb> [#hsbloggers](#)

2/12/2013 3:16 pm

112

[raising_arrows](#): [@Believingin1](#) I have A LOT of posts simmering at one time, but that's how my brain works. [#hsbloggers](#)

2/12/2013 3:16 pm

113

[pameladonnis](#): I'm super visual, so I like to "see" what I'm planning RT [@kerrybeck](#):

[@pameladonnis](#) Editorial calendar in WP is now my salvation [#hsbloggers](#)

2/12/2013 3:16 pm

114

[steflayton](#): [@Believingin1](#) oh girl, I got all type of irons in the fire! [#hsbloggers](#)

2/12/2013 3:16 pm

115

[kerrybeck](#): I think in the shower, but not when I take a hot bath [#hsbloggers](#)

2/12/2013 3:16 pm

116

[apichea](#): [@steflayton](#) it took me awhile and several attempts to make [#Evernote](#) work for me. now it's a "go-to" tool! [#hsbloggers](#)

2/12/2013 3:16 pm

117

[thedaisyhead](#): [@raising_arrows](#) [@steflayton](#) Amen! No thinking in the shower! [#hsbloggers](#)
